COMMUNICATION SUBMITTING AMENDED TERMINAL DISCLAIMER

Sir:

Submitted concurrently with this Communication is an Amended Terminal Disclaimer for the above-referenced patent ("the '444 patent"). The Amended Terminal Disclaimer disclaims the term of the '444 patent which would extend beyond the earlier of the expiration dates of U.S. Patent Nos. 4,544,658 and 4,556,658.

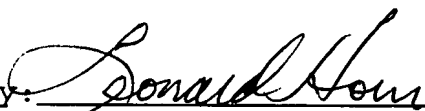

Under the Uruguay Round Agreements Act ("URAA") the terms of both U.S. Patent Nos. 4,544,658 and 4,556,658 have been extended to 20 years from the date of filing. 35 U.S.C. § 154(c). The expiration date of the 4,544,658 patent is now December 9, 2003 and the expiration date of the 4,556,658 patent is now April 24, 2004. Thus, application of URAA and the Amended Terminal Disclaimer would result in the portion of the '444 patent extending beyond the earlier of these dates, December 9,

2003, being disclaimed. This Amended Terminal Disclaimer replaces the Terminal Disclaimer filed on February 21, 1992 which terminally disclaimed the term of the '444 patent extending beyond the earlier of the expiration dates of U.S. Patent Nos. 4,544,658 and 4,556,658, and calculated the expiration dates of U.S. Patent Nos. 4,544,658 and 4,556,658 under the previously applicable statute, 35 U.S.C. § 154.

Should consideration of this request and/or acceptance of the Amended Terminal Disclaimer require a petition, then Patentees respectfully request that this be considered a petition therefor. The Commissioner is authorized to charge the petition fee and any other fees required in connection with such a petition or the filing of the accompanying Amended Terminal Disclaimer to Deposit Account No. 02-1445.

Respectfully submitted,
Attorney for Patentees
